

Pallet Return System

The PRS pallets are recognizable by the green edges and are branded with our PRS markings. Our pallets are rented and remain the property of PRS. You are not permitted to destroy, re-use or sell the pallets. Please make sure to store the pallets in stacks of 18.

Sustainability is our priority!

If you cooperate in returning our pallets and score a recovery rate higher than +65%, you will be awarded with the PRS Green Label! Find out more at our website.

Pooling Service Department

Our Pooling Service Department team will contact you to arrange free collections of all PRS pallets by our authorized transport partners. We also collect damaged PRS pallets.

You can always contact us:

E-mail: lt.prs.collect@prs-pooling.com

Phone: +31 88 991 5311
